Dear Friends:

Thank you for your recent in-kind donation of the six handmade quilts. They are each absolutely beautiful! We sincerely appreciate the generosity of the Golden Triangle Quilt Guild. Your donation helps us in our mission to bring hope to children caught up in a world of abuse and neglect in a system that is cumbersome and confusing. Every day CASA is putting volunteers in the field to befriend these children and speak for their best interest in the courts. What a comfort to have someone they can count on when all around them is changing. What a joy to know their CASA is there for no other reason than that they care.

Thank you for helping to give them one of the greatest gifts of all, and one too often taken for granted – the gift of a safe, loving home!

Gratefully,

Lanis McWilliams
