"SPLASH CHALLENGE"

Explore the depths of the ocean blue! Or green! Or teal! Or turquoise!

Quilts can be any pattern and size but can only contain colors of water.

Blues, teals, greens, aquas. NO other colors allowed. Only different values of the water colors. NO NEUTRALS ALLOWED.

I would like to see an entire display aisle that feels like you are surrounded by water!

Any pattern, any size! So get sewing!
