

## **2026 Show Theme Challenge**

### **Sewing Peace with Quilts in Southeast Texas**

Pieced quilts should include two elements:

- 1) Some description or your interpretation of PEACE
- 2) Some aspect of Southeast Texas.

This can include a peaceful scene, what gives you Peace, but also include something unique to Southeast Texas. In other words, something commonly known in Southeast Texas.

Any size, any colors, any techniques. Just make sure anyone looking at your quilt readily recognizes PEACE and SETX.
