Mystery Quilt

MONTH 1

FABRIC REQUIREMENTS-Use up those scraps!!

Use Light and Dark fabric, make sure you have high contrast. (If you question if it is a light or a dark it's a medium and don't use it, LOL)

You will be cutting for the entire quilt in this first month.

(The greater the numbers of light and dark used, the scrappier the quilt.)

If you must buy fabric the yardage totals are given below, fat quarters can be used, Charm packs will work, as you can see below largest piece cut is 5-inch square.

- Assorted light prints – about 2 $\frac{3}{4}$ yards
- Assorted dark prints – about 2 $\frac{3}{4}$ yards
- 5/8 yards dark print for binding
- Backing

Finished Quilt Size is 64”X64”.

This quilt ends with a pieced border so you can add plain borders to make it larger if desired. If you don't like square quilt, you can make extra blocks to add another row.
